

# Sonya™ refreshing gel cleanser

#605

## Sonya™ refreshing gel cleanser

The latest in cleansing.

You'll notice from the moment the cooling gel touches your skin that this isn't your high bubble, leave-your-skin-tight type of experience. Our aloe gel, bolstered with worldwide ingredients, makes for the latest and best way to cleanse your face both morning and night for a gentle and soothing experience.

Apple amino acids and desert date extract enrich the soft lather of refreshing gel cleanser to support combination skin. Acacia concinna fruit extract helps remove dead cell buildup, dirt and makeup for a thorough, but soft cleansing experience.

Refreshing gel cleanser not only uses cleansing agents, but also includes moisturizing agents like cold pressed baobab oil from trees in Senegal. This tree, also known as "the tree of life" to natives, is known to live over 500 years. The strength and longevity of this tree makes it an excellent extract to boost our formula.

Move over traditional cleansers! Sonya refreshing gel cleanser has a new, gel delivery system that will have your skin feeling smooth and clean after every wash. Use as part of the Sonya™ daily skincare system for optimal results.

SKINCARE

### FAST FACTS

- Conditions while cleansing
- Aloe soothes instead of stripping skin
- A gentle lather for combination skin

Suitable for vegetarians

Suitable for vegans
